

IEWG Workplan

Completion date	Item	Action items and deliverables	Lead
Priority 1 – Foundations: Lay the foundations for the IEWG and GPA to facilitate practical enforcement cooperation, focusing on organisations and issues with significant global impact on people’s data protection and privacy rights. Objective 1 - Develop ‘safe space’ enforcement cooperation frameworks focused on multinationals. Objective 2 - Use of and evaluation of the framework in practice. Objective 3 – Develop an annual “transnational case map” for authorities to use in order to learn from other colleague’s work.			
Ongoing	Transnational case map	• HK and SIC send a survey to invite input from other DPAs and then update the map	Colombia Hong Kong
Ongoing	Cooperation with other networks	• Invitations to various relevant networks to participate in capacity building sessions and side-meeting in Jersey • Become an observer in DESWG to enhance communication, deduplication and cooperation between the two working groups on issues of mutual interest and relevance (including potential work on AdTech) • Potential collaboration with GPEN on Community of Practice for cyber-security	All co-chairs
Priority 2 – Tools: Build on the previous work of the IEWG to further develop practical tools for enforcement cooperation. Objective 1 – Promote and teach our members how to use the Enforcement Cooperation Handbook. Objective 2 – Maintain and promote the enforcement cooperation repository.			
Ongoing	Enforcement collaboration handbook	• Co-chairs to continue seeking opportunities to promote and educate regarding the Handbook, and to seek opportunities to enhance the handbook through case studies	To be confirmed
Ongoing	Repository	• Co-chairs to invite GPA members to submit relevant documents to the Enforcement Cooperation Repository	Previously Türkiye and Philippes (TBC)

Priority 3 - Awareness and communication: Ensure that the IEWG has a good awareness of the global Privacy Enforcement Authority (PEA) network landscape and maintains or establishes mutual lines of communication and observation to coordinate and leverage activities. Objective 1 – Analyse global PEA networks and make recommendations on coordination. Objective 2 – Promote and strengthen the communication channels between PEA of each region. Objective 3 – Develop existing and new mutual observation agreements. Objective 4 – Improve our communication outreach for more of our members to participate in the activities put in place. Objective 5 – Translate to the best of our abilities and capacities of the products, conferences and different activities the group may have.			
08/2024	Statement on data scraping	- Publish final statement along with coordinated news releases, ideally in August (but in any event, before GPA Conference) - Report on initiative at the 2024 DPA roundtable	Canada
10/2024	Capacity building sessions	- Organize four sessions before 2024 Roundtable (June / July / August / September) - Report back on sessions at the 2025 DPA Roundtable - Assess the possibility of continuing these sessions in 2025	Canada Colombia Guernsey Norway
10/2024	Capacity building session in Jersey (priority setting for DPAs)	Guernsey to organize in coordination with Jersey and GPA ExSec	Guernsey
Ongoing	Promotion of IEWG	Colombia to explore ways to promote the work of the IEWG (LinkedIn account, other)	Colombia
Ongoing	Resolution on International Cooperation Capacity Building for Improving Cybersecurity Regulation and Understanding Cyber Incident Harms	- IEWG to deliver the first recommendation for next steps on further international activity related to cybersecurity – establishment of a Cybersecurity Community of Practice (CoP) across the GPA and Global Privacy Enforcement Network (GPEN). - To deliver the above, the IEWG will: draft, publish, and implement a Terms of Reference for the CoP; establish membership; work with GPEN and the GPEN website host to obtain approval for and implement the CoP, and report back to the GPA on progress in October.	UK
